

AINSE Conferences – Past Conferences

2008

- AANSS 2008: 7th AINSE/ANBUG Neutron Science Symposium, 8 - 10 December 2008
- 27th Plasma Science and Technology Conference held in conjunction with the 18th Biennial Australian Institute of Physics Congress in Adelaide 30 November to 5 December 2008 <http://aipc2008.com>
- 22nd Nuclear and Particle Physics Conference held in conjunction with the 18th Biennial Australian Institute of Physics Congress in Adelaide 30 November to 5 December <http://aipc2008.com>
- ANSTO - AINSE Neutron School in 2008 at ANSTO (Bragg Institute) / AINSE at Lucas Heights held 21 - 26 July 2008
- Australian Aerosol Workshops The aim of Australian Aerosol Workshops is to bring together the diverse community of Australian scientists working on various aspects of aerosol science and their impacts. Previous workshops have been held at the University of New South Wales, Queensland University of Technology, CSIRO Aspendale (VIC), and at ANSTO, Lucas Heights (NSW).
- 4th Australian Aerosol Workshop held at AINSE and ANSTO 16th - 18th July, 2008 Convenors: Michael Prior & Ed Stelcer
- 4th AINSE Quaternary Dating Workshop held at ANSTO, Lucas Heights 26 - 27 March 2008.
- Australian Rainfall Records, beyond the instrumental record held at ANSTO on January 23rd 2008.
- This workshop is intended to be a showcase of the current stage of research and the future potential of speleotherm-rainfall records for water resources, government, and cave management and conservation bodies.

2007

- 15th Annual RACI Analytical and Environmental R&D Topics Conference held at Flinders University in Adelaide, South Australia, from 9th to 12th Dec, 2007. More information at <http://www.scieng.flinders.edu.au/events/rdttopics>
- 6th AINSE/ANBUG Neutron Scattering Symposium (AANSS) 2007 - at AINSE, Lucas Heights Tuesday 4 December to Thursday 6 December. Diffraction and residual stress
- ANSTO-AINSE Neutron School on Diffraction, in collaboration with IAEA - 29 November 3 December 2007 at Lucas Heights Sydney, Australia - More information ...
- Polarized Neutron Scattering at ANSTO - 28-29 November 2007 at ANSTO, The Bragg Institute, Menai NSW, Australia
- 15th AINSE Conference on Nuclear and Complementary Techniques of Analysis (NCTA) - 21 - 23 November 2007, The University of Melbourne In conjunction with the NCTA conference, an intensive 1 day course is offered on Vacuum Technology
- International Seminar on Dismantling Experience of Nuclear Facilities, Saclay France 19-23 November 2007 More Information ...
- Pushing Small-Angle Neutron Scattering at OPAL to Smaller Q to be held at ANSTO on 15-16 November 2007
- ANA Conference 2007 - 'A Nuclear Future' - 19 October 2007, Sydney
- Chemical Deuteration at the National Deuteration Facility - Consultation Workshop 27 September 2007 - call for expressions of interest. More information ...
- 13th International Congress of Radiation Research - 8-12 July, 2007, San Francisco, California
- INQUA International Union for Quaternary Research and Quaternary Dating Workshop 28 July - 3 August 2007, Cairns, Queensland
- 1st Australian Workshop on Solution Scattering from Biological Macromolecules - 23-24 July 2007, Bio21 Molecular Science and Biotechnology Institute, University of Melbourne
- Frontiers in Biodiesel Workshop at AINSE, Lucas Heights Monday 9 July and Tuesday 10 July, 2007
- INQUA200-28 July - 3 August 2007, Cairns, Australia
- ICENES 2007 - 3-8 June 2007, Istanbul, Turkey

- Advanced Workshop Series presents: Image-Guided & Proton Radiotherapy - 12 March 2007, University of Wollongong

2006

- 7th International Symposium on "Ionizing Radiation and Polymers - IRAP 2006 - 23-28 September, Antalya, Turkey www.irap2006.hacettepe.edu.tr/irap20061stann.pdf
- 15th Pacific Basin Nuclear Conference - 15 - 20 October, Sydney, Australia www.pbnc2006.com/
- The Australian Institute of Energy National Conference & National Postgraduate Student Energy Awards - 27 - 29 November, 2006, The University of Melbourne www.conferences.unimelb.edu.au/aie2006/
- ASRP/Australian Synchrotron Users' Workshop 2006- 29 Nov - 1 December 2006, Melbourne www.synchrotron.vic.gov.au/content.asp?Document_ID=4675
- International Seminar on Nuclear Fuel Cycle - 20 Nov - 1 December 2006, INSTN, Saclay, FRANCE www.enen-assoc.org/
- Australian Institute of Physics (AIP) National Congress- 3 - 8 December, 2006, Brisbane Australia www.aipc2006.com/
- CISSE 2006 - 4 - 14 December 2006 www.cisse2006online.org
- 5th AINSE/ANBUG Neutron Scattering Symposium (AANSS 2006), 11 - 13 December 2006, Sydney Handbook (PDF) Contact AINSE for proceedings.
- 17th Biennial Australian Institute of Physics Congress, 3 - 8 December 2006, Brisbane QLD <http://www.aipc2006.com/>
- 21st Nuclear and Particle Physics Conference held in conjunction with the 17th Biennial Australian Institute of Physics Congress, 3 - 8 December 2006, Brisbane QLD <http://www.aipc2006.com>
- 26th Plasma Science and Technology Conference to be held in conjunction with the 17th Biennial Australian Institute of Physics Congress 3 - 8 December 2006, Brisbane QLD
- 14th Annual RACI Analytical and Environmental Divisions R&D Topics conference, 5 - 8 December 2006, University of Wollongong <http://www.uow.edu.au/conferences/RACI/Main.html>
- 15th Pacific Basin Nuclear Conference, 15 - 20 October 2006, Sydney Hilton Hotel <http://www.pbnc2006.com/>
- Australian ITER Forum Workshop 11-13 October, Manly Australia See ITER Home Page
- Radiation 2006, 20 - 21 April, The University of Sydney. Contact AINSE for Proceedings
- NCTA/VSA Conference, 19 - 22 November 2005, Wellington, New Zealand Contact AINSE for Proceedings

2005

- International Conference on Neutron Scattering, Sydney Convention Centre 27 November to 2 December 2005 <http://www.icns2005.org/> ICNS Handbook - [conferences/ICNS_Program_Abstracts.pdf](http://www.icns2005.org/conferences/ICNS_Program_Abstracts.pdf)
- AINSE Plasma Science and Technology Conference held in collaboration with the AIP Congress 31 Jan - 4 Feb 2005 in Canberra <http://aipcongress2005.anu.edu.au>
- AIP Congress 2005, incorporating Plasma and NUPP Conferences, 31 Jan-4 Feb 2005, Physics for the Nation, ANU Canberra <http://aipcongress2005.anu.edu.au>

2004

- Symposium & Workshop : 13-15th December 2004, AINSE Auditorium, ANSTO, Lucas Heights.
- Workshop on Data Visualisation, Reduction and Analysis at Australia's Replacement Research Reactor 30th and 31st March 2004 <http://www.ansto.gov.au/ansto/bragg/workshops/workshop11.html>
- Photons@Work, Australian Synchrotron Summer School, ANU, 27 January - 5 February 2004 <http://www.rspysse.anu.edu.au/sync.school/>
- Neutron Scattering Data Analysis Workshop, Lucas Heights, 30-31 March 2004. <http://www.ansto.gov.au/ansto/bragg/workshops/workshop11.html>
- Workshop on Polarisation Analysis and Inelastic Cold-Neutron Scattering at Australia's Replacement Research Reactor 27 and 28 January 2004 <http://www.ansto.gov.au/ansto/bragg/workshops/workshop10.html>

Earlier years

- 13th Nuclear Techniques of Analysis & 8th Vacuum Society of Australia Congress 26-28 November 2003, Sydney
- 3rd Quaternary Dating Workshop, 1-2 October 2003 ([archive/quaternary_wkshp_2003_01.pdf](#))
- ICRR 2003 Brisbane 17 - 22 August 2003
- 15th International Symposium of Radiopharmaceutical Chemistry, 11 -14 August 2003, Sydney
- 2nd AINSE Symposium on Small-Angle Scattering and Reflectometry 25-26 June 2003, Sydney
- IGORR - International Group on Research Reactors March 24 - 28, 2003 Sydney
- Neutron Beam Applications to Engineering Problems, 16 and 17 September 2002, University of New South Wales.
- Neutron-beam Applications to Earth Sciences, 12 and 13 December 2002, Lucas Heights
- 19th NUPP Conference in association with the 15th Biennial Congress of the Australian Institute of Physics. Mon 8th to Thurs 11th July, 2002, Sydney, Australia.
- International Congress on Plasma Physics, ICPP 2002 combined with 24th AINSE Plasma Conference Manly I 15-19 July 2002
- 19th AINSE Nuclear & Particle Physics in collaboration with 15th National Congress of Australian Institute of Physics, Physics and Industry Working Together, Sydney Sunday, 7 July to Thursday, 11 July 2002
- 9th Advances in Radiopharmaceutical Chemistry (badge section) incorporated in the ANZSNM Annual Meeting, Cairns May 1-5 2002.
- Environmental Radioactivity: Migration, Measuring and Monitoring in the South Pacific - 13 - 17 May 2002. Spera 2002
- Workshop on Single-Crystal Diffraction at Australia's Replacement Research Reactor 11 and 12 December 2001, Lucas Heights
- Workshop on Small-Angle Neutron Scattering at Australia's Replacement Research Reactor 13 and 14 December 2001
- Environment Workshop 'Archives of human impact of the last 200 years', 27 and 28 September 2001, AINSE Lucas Heights ([archive/conf2001_01.html](#))
- Dynamics, Excitations and Magnetism Workshop 27 and 28 August 2001
- 15th International conference on Ion Beam Analysis, and incorporating the 12th AINSE conference on Nuclear Techniques of Analysis. 15-20 July 2001 Cairns
- Neutrons for Biology 10-11 July at the University of Melbourne Melbourne
- Workshop on Neutron Reflectometry at Australia's Replacement Research Reactor. 8 and 9 May 2001, Sydney
- Plasma 2000 10 - 15 December 2000 ([archive/conf2000_5.html](#))
- 18th Nuclear and Particle Physics Conference University of Adelaide 11 - 15 December 2000 ([archive/conf2000_3.html](#))
- Radiation 2000 26 - 28 November 2000 ([archive/conf2000_2_pro.html](#))
- Workshop on Neutron Radiography and Digital Neutron Imaging at Australia's Replacement Research Reactor 30 November and 1 December 2000
- Biological SIMS Workshop - Use of Laminated Biological Structures as Environmental Archive, 29 November 2000, AINSE, Lucas Heights.
- Workshop on Powder Diffraction at Australia's Replacement Research Reactor, 17-18 October, 2000
- 2nd AINSE Symposium on Neutron Scattering Powder Diffraction Thursday 22nd June 2000
- 11th AINSE Conference on Nuclear Techniques of Analysis and 6th Vacuum Society of Australia Congress - 24 - 26 November 1999 [archive/conferences3.html.archive/nta/](#))
- Joint AINSE-ANU Symposium On Small Angle Scattering and Reflectometry - 30 September - 1 October 1999
- AINSE 40th Anniversary Conference - proceedings (PDF format)
- AINSE/ANSTO workshop on Quaternary Dating Methods, Lucas Heights 8 & 9 April 1999
- First joint AINSE/ANSTO Biomedical Symposium, February 1999, Camperdown.

- 22nd AINSE Conference on Plasma Science and Technology, February at ANU, Canberra
