

AINSE – the Australian Institute of Nuclear Science and Engineering

AINSE Supported Facilities Travel Funding - 2017
Applications close 5th May 2017

Project Title:	<input type="text"/>
Project Type:	AINSE Supported Facility (ASF) Travel Funding 2017
Applicant:	<input type="text"/>
Institution:	<input type="text"/>
Applicant Email:	<input type="text"/>
Committee:	<input type="text"/>
Facility Requested:	<input type="text"/>
Contact Scientist:	<input type="text"/>

Project Details

1. Scientific objectives (300 words)

AINSE – the Australian Institute of Nuclear Science and Engineering

AINSE Supported Facilities Funding - 2017
Applications close 5th May 2017

2. Proposed method (150 words)

3. Justification (150 words)

4. Other investigators (50 words)

5. Research students (50 words)

AINSE – the Australian Institute of Nuclear Science and Engineering

AINSE Supported Facilities Funding - 2017
Applications close 5th May 2017

6. Primary contact scientist

7. Other contact scientist(s) (50 words)

8. Contact scientist approval

Have you discussed your proposal with the primary contact scientist? Yes No

Travel and / or Accommodation Support Requested

Principal Investigator

Air Car
